

Come Follow Me - Book of Mormon
Week 11: March 10-16 ~ 2 Nephi 26-30

Sunday/FHE - Song recommendation: Line Upon Line. **Print or make a copy of the picture in the CFM manual that goes with this week's lesson plan. Cut the picture into puzzle pieces.** Read the introduction to this week's lesson plan in the CFM manual. **When we look at one of these puzzle pieces, can we tell what the picture will be? Put the puzzle together. As we added the puzzle pieces together we began to see what the picture would be...you see the big picture!** God gives us a little at a time, or line upon line, when we are learning about his gospel as well. Read 2 Nephi 28:30. First we had the Bible, then we received the Book of Mormon and Doctrine & Covenants, and now we continue to receive revelation personally and from our prophet. We start off with a testimony that is very simple and largely dependent on others, but as we study the scriptures, pray, attend church, and more we are given additional experiences that strengthens our testimony and enriches our faith. Our faith grows at a speed that is best for us dependent on our readiness and faith so the more we put into it, the more we get out!

Monday - Read 2 Nephi 28:2; 29:7-11; 30:3-6. **Nephi knew by revelation, even before the Book of Mormon had been completely written, that it would one day "be of great worth unto the children of men" (2 Nephi 28:2). Why is the Book of Mormon of great worth to you? What "marvelous work" (2 Nephi 27:26) is God accomplishing in the world and in your life through the Book of Mormon?** (This discussion is pulled from multiple sections in the CFM manual)

Tuesday - Read and discuss the section "Jesus Christ invites us all to come unto Him" in the CFM manual. Listen to "Come Unto Jesus" by Madilyn Paige and as you do, journal ways your life has been impacted when you come unto Him.

Wednesday - Listen to "The Doctrine of Belonging" by Elder D. Todd Christofferson and discuss.

Thursday - Read and discuss the section "Satan seek to deceive" in the CFM manual.

Friday - Read and discuss the section "God continues to give revelation to guide His children" in the CFM manual. **What can we do to ensure we are always open to learning more?** [don't get caught up in routines or ways of the world. Live intentionally. Ask regularly what His will is for you]

Bonus Talk: "What Has Our Savior Done for Us?" by Dallin H. Oaks
