

Come Follow Me - Doctrine & Covenants 2025
Week 31: July 27- August 2 ~ Doctrine & Covenants 84

Sunday/FHE - song:watch Priesthood of God (Temple & Priesthood Preparation Song)
Read the intro for the week in the CFM manual. Read and discuss the section "I have access to God's priesthood power and blessings," in the CFM manual. *We will not be reading President Nelson's talk today but it is linked in the Bonus Talks/Reading section below and I encourage you to listen to it this week for your personal study and listen for ways you can draw the Savior's power into your life.*

Monday - Read and discuss the section "The priesthood is obtained with an oath and covenant" in the CFM manual. Article referenced in the section is found in the Bonus Talks/Reading section below.

Tuesday - Read and discuss the section "Living by the word of God brings light and truth into my life" and the text in the box just below the section in the CFM manual.

Wednesday - *How does the Lord support His servants?* Read Doctrine & Covenants 84:62-91 and discuss any new insights to the questions.

Thursday - Read Doctrine & Covenants 84:106-110. *How does the Lord accomplish His work? What counsel or blessings stood out to you in those verses?*

Friday - Read the first two sections of "Women and the Priesthood" (read "The Priesthood Benefits All Church Members" and "Every Member Should Honor and Support the Priesthood") *Its interesting, but not surprising, that the scriptures referred to when discussing how we can honor and support the Priesthood all have to do with keeping His commandments and service. Seems to be a common theme in scriptures which we know repetition = importance*

Bonus Talks/Reading: President Russell M. Nelson, "Spiritual Treasures"
Elder Paul B. Pieper, "Revealed Realities of Mortality"
Women and Priesthood
Blessings of the Priesthood for All
