

Come Follow Me - Doctrine & Covenants 2025
Week 33: August 10-16 ~ Doctrine & Covenants 88

Sunday/FHE - song: watch The Lord Is My Light

Read the intro for this week and the sections "Jesus Christ offers me peace" and "Light and law come from Jesus Christ" in the CFM manual.

Monday - Read Doctrine & Covenants 88:62-64. What experiences have shown you that the promises in these verses are true? What can you do to "draw near unto" Christ? Watch "Nearer, My God, to Thee" and record any promptings in your journal.

Tuesday - Read Doctrine & Covenants 88:67-78. The definition of "sanctify" is: set apart as or declare holy; consecrate. Knowing this, what do you think the phrase "sanctify yourselves" means? How do you think we become sanctified?

Wednesday - The Lord told the Saints to establish a "school of the prophets" in Kirtland. Much of the instruction in section 88 taught them how to do it. Read Doctrine & Covenants 88:77-80, 118-126. Is there anything in those verses that we could apply in our home to establish more of a house of learning?

Thursday - Read "Truth will make you free" and discuss as you go. Why are learning and education important to the Lord? What does He want us to study? How does He want us to learn? Re-read verses 77-80 to help look for additional answers if needed.

Friday - Listen to "Seeking Knowledge by the Spirit" by Elder Mathias Held. What additional insight do we gain in regards to what it means to learn "by study and also by faith" from that talk? (verse 118)

Bonus Talks/Reading: Sharon Eubank, "Christ: The Light That Shines in Darkness"
Timothy J. Dyches, "Light Cleaveth unto Light"
Russell M. Nelson, "Becoming Exemplary Latter-day Saints"
A School and an Endowment
