Come Follow Me - Doctrine & Covenants 2025 <u>Week 40: September 28-October 4 ~ Doctrine & Covenants 109-110</u>

Sunday/FHE - song: The Spirit of God

Read the intro for the week in the CFM manual. Read and discuss the section "The Lord offers me rich blessings through temple covenants" in the CFM manual. Journals are encouraged. Watch "The Spirit of God: Honoring Pioneer Temples"

Monday - Watch "The Kirtland Temple Is Dedicated" How do you think it felt for the members to learn about children in heaven during that time? Remember that losing a child was much more common back then. Sometimes we can take gospel principles for granted because we've known these truths our whole life, but this was new information for the saints back then. How can we ensure we aren't taking these truths for granted? [that is part of why we should learn the history of our ancestors and other saints, we can put ourselves in their shoes and better realize all we have to be grateful for]

Tuesday - Read and discuss the section "Prayer is communication with Heavenly Father" in the CFM manual. The dedicatory prayer for the Gilbert Temple can be found HERE

Wednesday - Read and discuss the section "The Lord can manifest Himself to me in His house"

Thursday - Read and discuss the section "The Savior directs His work through priesthood keys" in the CFM manual.

Friday - Read <u>Voices of the Restoration: Spiritual Manifestations & the Kirtland Temple</u> and discuss

Bonus Talks/Reading: Lisa Olsen Tait & Brent Rogers, "<u>A House for Our God</u>" Russell M. Nelson, "<u>The Everlasting Covenant</u>" Gerrit W. Gong, "<u>Happy and Forever</u>"
